website: portlandontario.com

The objective of the Portland on the Rideau Historical Society is to document, collect and preserve the history of the village of Portland and the Big Rideau Lake area throughout its existence, with a special emphasis on the village, the lake community and its natural setting. A primary goal of PRHS is to develop a virtual museum reflecting these intertwined histories.

The society is member based and open to all persons wishing to join and willing to abide by its constitution and respect its objectives. PRHS actively seeks out both organizations and individuals as members to achieve shared goals.
